

Partner: Panasonic Model: PT-F200U

**Device Type: TV/Video Projector** 

GENERAL INFORMATION			
SIMPLWINDOWS NAME:	Panasonic PT-F200U Projector		
CATEGORY:	TV/Video Projector		
VERSION:	1.0		
SUMMARY:	This module controls all of the functions of the Panasonic PT-F200U projector		
GENERAL NOTES:	This module controls all of the functions of the Panasonic PT-F200U projector <b>Note:</b> The projector will not accept any commands for 10 seconds after a Power On command is executed. Shutter_Toggle command puts unit into shutter mode. When unit is in shutter mode, all commands are inhibited except power and shuttle toggle. Manufacturer states that rapid sequencing of power on/off and shutter commands can cause lamp and unit malfunction.
