

ANALOG WAY LIVECORE

Module: SCREEN

Crestron 2-series & 3-series

Date: **March 06, 2014**
Driver version: **V1.01**
Tested with: **LiveCore Firmware v01.02.x and v01.03.x**

GENERAL

This is an optional module for LiveCore series control. It has been designed for one screen control. Consequently, one module per screen is to be implemented in the project.

CONNECTION

This module has to be connected to LiveCore_Main module.

Page 1 / 3

Control

Inter_connect_Modules
